

2008 Overnight Campouts

Mount Desert Island

Registration and Fees - Overnights are limited to 30 participants and have a minimum of 3-5 staff present, including either the Camp Director or other designated substitute for the Camp Director. Early registration is recommended. In the event that we are overbooked for an overnight preference will be given to campers who have not had a prior opportunity to participate in this activity, followed by other campers in order by the date registration was received. Registration forms will be available at CBC and on the web. A child does not have to be registered at camp for that week in order to be able to attend the overnight. However, they must be brought to CBC with the proper equipment at 4:00 PM on the Friday of the overnight. There is a \$30 charge per camper for this activity. The \$30 additional charge will be added to the family's invoiced amount, unless payment is sent along with the overnight registration.

Equipment List - Sleeping bag, bed pad, pillow, warm clothes, change of clothes, extra towel, bathing suit, water bottle, flashlight, and teddy bear, if needed. Also, don't forget the toothbrush and toothpaste. Camp Beech Cliff will provide tents for all campers.

Food - CBC will provide a dinner and breakfast for the campers and staff attending the overnight. Campers may be asked to assist in the preparation of the food for either meal. We will cook over an open campfire whenever the meal plan and weather allows for it.

Length of Overnight - Friday 4:00 PM until 9:00 AM Saturday. Pick-up is 9:00 AM Saturday Morning at CBC Headquarters Building.

Further Details - If your child has never attended an overnight before, or slept out in the woods, please talk with him/her about the possibility of being homesick or scared. We will do our best to encourage your child to stay at the overnight and enjoy the experience. Campers and staff will be camping out in tents in our ball field. In the event of severe inclement weather and safety concerns, campers can be moved inside to our Eagle's Nest building.

Medications - Any medications must be checked in with the Nurse when they arrive to camp. The Nurse and overnight staff MUST know what the medication is and when/how it is given. The nurse will relay all medical and medication information to an overnight staff member.

Mount Desert Island

2008 Overnight Registration Form

I give permission for my son/daughter, _____

to attend the Camp Beech Cliff overnight on _____

I understand the fee is \$30.00 for the overnight will be posted to my account.

Signed _____ Date _____

Overnights are scheduled on Fridays. Attending an overnight is a privilege that is extended to those campers that have shown maturity and regard for the physical and emotional safety for themselves and others. **Campers attending an overnight must bring the top portion of this form with them to the overnight.**

The basic plan is to set up camp, cook dinner, play games, go swimming, go for a night hike and enjoy other campout activities. If weather permits, we will spend time sitting around a campfire, telling stories, making s'mores and enjoying each other's company. Saturday breakfast will be included as well. If your child has never attended an overnight before, or slept out in the woods, please talk to them about the possibility of being homesick or scared. Calling home is discouraged. We will do our best to encourage your child to stay at the overnight and enjoy the experience.

Pick up time is 9:00 am. Please be prompt.

WHAT TO BRING (on Friday Morning!):

- | | |
|---------------------------------------|--|
| <input type="checkbox"/> Sleeping Bag | <input type="checkbox"/> Bug Repellent |
| <input type="checkbox"/> Sleeping Pad | <input type="checkbox"/> Water Bottle |
