

Nature – Program Head – Mt. Desert Island (near Bar Harbor), Maine

Camp Beech Cliff welcomes qualified applicants for the Head of Nature for our summer day camp season of 2008. This program head plans creative activities and experiential lessons to help every camper enjoy, appreciate, and learn about nature. All staff must also adhere to all of the health and safety laws set forth by the State of Maine Dept of Human Services Youth Camps Division, and standards for accreditation with the American Camping Association.

Requirements – At least 18 years old, and have one year's experience leading activities with children. Must enjoy working with children of all backgrounds, and passionate about working outdoors and engaging campers ages 7 – 12 in nature studies. Must have the ability to plan a wide range of nature activities and programs throughout the summer.

Preferred Qualifications – Bachelor's degree and at least two years of direct experience in leading nature programs for kids. If no degree, equivalent work experience required.

Salary depends on position and level of experience (\$300 – \$450 per week) with limited housing available. Contact Tim Spinney at campdirector@campbeechcliff.org.
